DANGER SIGNALS.

No engineer would be mad enough to run by the flag which signaled danger. What the danger was he might not understand, but he would take no chances. It is different with the average man or woman. They attempt constantly to run by the danger signals of Nature and that attempt costs thousands of lives every year. When the appetite becomes irregular or entirely gives out, when sleep is troubled and broken, when there is a loss of flesh, when there is a constant feeling of dullness and languor, Nature is hoisting the danger signal. The stomach and its allied organs are failing in their work and the body is losing the nutrition on which its strength depends.

Such a condition calls for the prompt use of Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition, purifies and enriches the blood and builds up the body with sound, solid flesh. "Your kindness to me I can never forget," writes Mrs. Josie R. Clark, of Enterprise, Shelby Co., Mo. "I cannot express half my feelings of gratitude to you. I had despaired of ever getting well. I had been in bad health for twelve years. Had aches all through me, numb hands, cold feet, and everything I ate distressed me; bowels constipated, was very nervous, depressed and despondent. In fact I can't express to you I thought I could never be cured. I have taken six bottles of Dr. Pierce's Golden Medical Discovery, and my health is now good. You have my honest recommendation to all sufferers. I think there is no medicine in the world as good as Dr. Pierce's."

If constipated use Dr. Pierce's Pleasant Pellets. They cure constipation, biliousness and sick headache. They do not produce the "pill habit."

CATARRH Nasal Catarrh
In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly. CREAM BALM is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Druggists or by mail; Trial Size, 10 cents by mail. ELY BROTHERS, 50 Warren Street, New York.

A LESSON FROM A CIRCUS.

The general staff of the French army was all present at the scene of the battle of Sedan recently for the purpose of receiving an object lesson in American organization in moving, housing and feeding an army of people. The first of the four big trains of Barnum & Bailey's circus arrived at 5 o'clock, and by 9 a hot and elaborate breakfast for 700 was served at tables. Meanwhile every tent had been erected and every seat mounted. Costumes had been unpacked and hundreds of horses stabled, curried and fed. The staff declared that even the crack artillery regiments could not equal the performance, and the Thirty-sixth field artillery regiment was ordered out from barracks to entrain and detrain. Various faults were pointed out by Mr. Bailey and his superintendent. A stenographer took down the suggestions, which will later be embodied in a report to the minister of war. The staff was served with supper in the circus tent, and then the whole circus melted away toward the next town in three hours.

Scheel's Prompt Reply.
Fritz Scheel, director of the Philadelphia orchestra, has a fondness for American slang and colloquialisms that is far in excess of his aptness in acquiring the exact word and sense. When he first came to Philadelphia in the summer of 1899, he was struck by the expression, "out of sight" spoken with fine heartiness to indicate pleasure and satisfaction with the general order of things. Scheel determined to make use of it at the first opportunity and to that end repeated it over and over to himself, always keeping in mind the circumstance under which it should be uttered. Mr. Elias met the musician one afternoon when the latter was playing at Woodside park and cheerily called out: "How are you, Fritz?" "You don't see me!" was Scheel's prompt and amazing reply.—Philadelphia Times.

New Jersey's Leech Industry.
"Hirudo day" is an anniversary in New Jersey that is never heard of elsewhere. It is the day on which the men who gather leeches for medical use go to town to collect their pay, leaving it till this particular day. The question of price is not at all involved in the game, as the leech catchers have the only trust permitted on New Jersey soil, and they fix the price per dozen at which they will sell. Their prices range from \$1.80 to \$3.80 per dozen this year, according to the age of the leech. A leech under the age of eighteen months is not a medicinal leech. His sutorial process is not fully developed until he passes seventeen months, although he acquires a full set of semicircular teeth in his jaws at the age of one year.

How Russell Sage is Guarded.
Mr. Sage's office is in the building occupied by the National Bank of Commerce, in Nassau street. In an anteroom sits his faithful guardian and confidential man, Mr. Menzies, through whom the aged financier must be reached. Mr. Menzies is protected by a partition having a latticed wire top with iron spikes reaching to the ceiling. It would be impossible for a man to climb over these spikes or to throw a bomb between them. Mr. Sage is not always accompanied in the street or in traveling between his home and office by a bodyguard or detective. Frequently he goes about entirely alone and seemingly is without fear except when in his office.—New York Press.

Your money back If you are not satisfied

DO YOU SUPPOSE that a company with a capital of \$500,000.00, paid in full, and the proud reputation of 25 years of continuous success, would make such an offer and not carry it out to the letter?

Avoid Substitutes!

An honest dealer will sell an honest remedy when it is called for by a customer. Will use honest drugs in filling prescriptions, and can be safely trusted as a family druggist.
A dishonest dealer, who tries to sell a customer a cheap substitute of his own when a standard remedy is asked for, will not hesitate to use impure and injurious drugs.
We caution our patrons to guard against cheap, so-called cough medicine that is offered at a low price by dealers. Insist on getting the OLD RELIABLE

Dr. Bull's Cough Syrup
which has been the standard for over fifty years. It has cured thousands of cases of coughs, colds, grip, asthma and influenza.
Will Cure You if You Will Try It.
Be sure you get the genuine, which has a "Bull's Head" on the package. Sold by all reliable druggists at 25c. a bottle. Dr. Bull's Cough Syrup has been used for fifty years and has cured thousands of people. It is a blessing to humanity. **SMALL DOSE. PLEASANT TO TAKE.**

BREAD.
THE CLEAN BAKERY
is in the long run the best bakery from which will emanate the BEST BREAD, for the baker who has no thought of cleanliness is indifferent as to the quality of his handiwork. Purity of materials and cleanliness in handling mark our entire output. Or bread is absolutely pure.

ALEXANDRIA STEAM BAKERY.
In reply to inquiries we have pleasure in announcing that Ely's Liquid Cream Balm is like the solid preparation of that admirable remedy in that it cleanses and heals membranes affected by nasal catarrh. The liquid is not drying or sneezing. The liquid cream balm is adapted to use by patients who have trouble in inhaling through the nose and prefer spraying. The price, including spraying tube, is 75 cents. Sold by druggists or mailed by Ely Brothers, 50 Warren Street, New York.

Cured of Piles After 40 Years.
Mr. C. Haney, of Geneva, Ohio, had the piles for forty years. Doctors and doctors could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Unavailable for cuts, burns, bruises, sprains, hemorrhoids, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. E. S. Leadbeater & Sons.
